OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, THIRTHAHALLI.

Notification dated 30th June 1953.

No. M.L.C. 108—53-54. It is hereby notified under section 48 (1) (n) of the Mysore Town Municipalities Act, 1951, for the information of the inhabitants of Thirthahalli Town that the Municipal Council have resolved in their monthly General Meeting, held on 28th March 1953 to introduce the Bye-laws for regulating Sanitation and Conservancy, framed by Government in their Notification No. L. 19846-M.L. 152—52-23, dated Bangalore, the 14th February 1953.

Any person objecting to the introduction of the said Bye-laws or any suggestion to the bye-laws, may prefer their objections or suggestions, in writing to the President, Town Municipal Council, Thirthahalli, within one month from the date of this notification during the office hours on all working days. Objections or suggestions received after the due date will not be considered under any circumstances.

Bye-laws for regulating sanitation and conservancy in Thirthahally Town Municipality.

1 Every privy or latrine that is to be constructed in Thirthahalli Town Municial Limits should conform to the daily removal system only.

2 The owner or occupier shall construct a new privy, if there is not one, within a reasonable time fixed by the President.

3 The previes under pit-system, if any, in the private premises should be changed into the daily removal system within a reasonable time fixed by the President.

4 The opening of the privy should always be towards the conservancy lane and should be constructed according to the approved plan and after obtaining a License from the President or the officer authorised by him.

5 The opening of the privy should be capable of daily removal from outside through the conservancy lane and should be provided with good shutters or trap doors so as to close the opening completely.

6 All trap doors or shutters for the privies should be preferably made of iron plate not less than one-eighth of an inch in thickness, soaked in tar both sides. The shutters to the trap doors should be fixed so tight to the door frame that no flies or any other disease carrying insects have an access.

7 The sides and floor of the chamber of the receptacle shall be constructed by hard smooth stones or brick-works plastered with cement or other non-absorbant material and the floor shall be so slope that any liquid discharged on it shall rapidly and easily flow to the outlet.

8 Every privy shall be provided with a movable receptacle to receive night-soil.

9 Arrangements must be made for the separation of urine from fæcal matter.

10 The owner or occupier of any land on which there is privy, must shut out such privy by sufficient roof and enclosure by non-combustible material or by wall from the view of persons passing by or resident in the neighbourhood.

11 the flooring inside the latrine must be made impervious by cement concrete and plastered with cement or by flooring with Cuddapah or burnt slabs with neat cement poiutings so that water and other watery substances may not accumulate inside.

12 Every privy should be so constructed that the bottom of the receptacle for nightsoil, urine or ablution water, shall be at a level at least two feet above the ground level.

13 Every person who shall construct a new privy shall construct the same in such a way that the night-soil receptacle shall be at a distance of 10 feet from any public road or place of public resort, 20 feet away from any kitchen, 25 feet from any place used as human habitation and 60 feet from any well, tank or stream, the water of which is used for drinking purposes, provided that where the maintenance of any such distance is absolutely impossible, the President may, if he thinks no injury to health is likely to result from the proposed position of a privy, sanction the reduction of such distance down to half that prescribed above.

14 A pucca drain with cement concrete and plastered with cement with proper slope must be constructed and the water of the privy should be left into the conservancy drain through a drain.

15 Any person infringing these bye-laws is liable on conviction before a Magistrate to a fine not exceeding Rs. 50.
